

Mike Pitman, Chief Information Security Officer

Senior Information Security executive with more than 18 years' work experience within Global organisations and at CISO Level

Highly organized with excellent attention to detail and an ability to perform consistently at the highest level, maintaining constant focus on achieving organisational objectives, creating positive work environment, developing and maintaining clients' relationships and clients' expectations.

Committed, reliable and prone to manage by setting the example, working hard and creating the conditions for an effective teamwork.

We are a business improvement and standards company that partners with more than 77,500 clients globally across multiple industry sectors. BSI provides organizations with the confidence to grow by working with them to tackle society's critical issues – from climate change to building trust in AI and everything in between - to accelerate progress towards a fair society and a sustainable world.

For over a century BSI has been recognized for having a positive impact on organizations and society, building trust and enhancing lives. Today BSI engages with a 15,000 strong global community of experts, industry and consumer groups, organizations and governments to deliver on its purpose by helping its clients fulfil theirs.

DEPARTMENT BREAKDOWN

WHAT ARE YOUR KEY DEPARTMENTAL OBJECTIVES OVER THE NEXT 6 TO 12 MONTHS?

Building and maturing our Disaster Recovery and IT Continuity capability.

Data Retention & Disposition

Zero trust Networking

AI Security

WHAT IS YOUR CURRENT TECHNOLOGY STACK?

Microsoft, Netskope, Colt, Abnormal AI, Ensono

HOW MANY PEOPLE REPORT TO YOU (BOTH DIRECTLY AND INDIRECTLY)?

20

WHO DO YOU REPORT TO?

CIO

WHAT IS YOUR TOTAL BUDGET OVER THE NEXT 12 MONTHS PERIOD?

£18 million

PROJECT INSIGHTS

PROJECT OR INITIATIVE DESCRIPTION

Data Retention & Disposition

- Overhaul of data retention schedules

- Identification of data which no longer needs to be retained

- Implementation of data retention policies

WHAT 3RD PARTIES ARE YOU HOPING TO MEET WITH?

No specific partners in mind at this time

WHAT IS YOUR TIMELINE FOR IMPLEMENTATION?

12-24 months

WHAT IS YOUR BUDGET FOR THIS PROJECT?

£5-8m

What technology/services are of strategic importance to you in the next 12 months?

Please indicate level of need/importance below.

We realize everyone has priorities, so we asked the delegates theirs. This is so that we can create a more personalized experience for all our attendees.

Leveraging AI to enhance threat detection	A
Convergence of Data Privacy and Data Security	E
Protecting the enterprise against the emerging use of GenAI and LLMs	C
